

Teen Volunteer Registration Form VBS - 2017

We greatly appreciate and encourage our teenagers to volunteer their time, talent, and valuable role model skills to the younger children of our churches! We will fill teen volunteer positions based on: the number of children registered in each grade level, the ages of the teen volunteer, and their ability to handle different age levels of children. We will assign adult volunteer positions first. We will do our very best to keep our teens filled with God's love and blessings as they embark on becoming young adults! We appreciate their flexibility and willingness to serve where ever needed!
