

Living Our Mission Capital Campaign

Our Mission. Our Future. Our Legacy.

Isn't it thrilling to see your dollars at work when you come to church?

Our new building will bring together the sacramental, ministerial and social life of our parish community. We will be able to respond to the needs of everyone in our parish community.

- Our babies and toddlers need an environment to hear the stories of Jesus and come to recognize Him as a brother and friend.
- Our young children need opportunities to encounter Christ in the community and the sacraments.
- Our teens need to further understand their faith as they live their faith in the real world.
- Our young families need the support of other families grounded in faith as they journey together as families of faith.
- Our adults need ways to encounter Christ through Formation opportunities.
- Our retirees need to pass on their wisdom, knowledge and faith to the next generation.

We can build a vibrant parish community that invites all to an intimate relationship with Christ as we join together *Around One Table*.

What you can do now?

We invite those who have yet to participate in this exciting project to prayerfully discern how you will help build our parish community.
