

# Three Keys to a Heart to Serve

1. **Learn from Jesus** - If you had one word to describe how Jesus served, what would it be? What can you learn from how He served at home and in his father's workshop for 30 years before His 3 years of public ministry? Growing in grace through your prayer-life, learning to live in and for Christ each day, ask Jesus to serve with and through you.

2. **Serve with Selfless Love** – *With All Your Heart* provides a way to continually grow as a disciple of Jesus in response to His great commandment of love. That invitation to serve wholeheartedly is a radical idea and one that can lead you to transform your world. It is not *what* you do that makes a lasting impact, but *how* you do it in the love of Christ.
3. **You are Called** – You may be one of many who are called to serve *in* the Church, becoming involved in a ministry or service activity. That gift of service is very important to our shared mission. But this is clear. You are definitely called as a disciple of Jesus to serve *as* the Church in your home, workplace, and community. There can be many small moments throughout your day when it is you alone who are the one called to serve.
