**Description/Impact:** The Monthly Maintenance Ministry (MMM) was created to give fellow parishioners an opportunity to meet other parishioners, get some fresh air and exercise, and to keep our church properties and grounds attractive. Each of the projects that are completed help to save resources that our Church can allocate toward those in need.

Become part of a friendly group of people who enjoy devoting a few hours a month to maintain their parish community. This group is open to anyone who is interested in assisting with projects that focus on landscape, grounds, and facility maintenance at the parish properties.

**Time Required:** MMM meets for three hours in the morning on the 2<sup>nd</sup> Saturday of each month except July and August.

**Special Skills/Requirements:** No experience is necessary and families are encouraged to participate; many hands make light work.
